Dear Bill,

Based on information received regarding national implementation of Rules Based Process System (RBPS) that was utilized in a pilot running since January 20, 2012, in St. Paul, Minnesota, the National VA Council VBA Mid-Term Bargaining Committee is formally requesting to bargain on the appropriate arrangements for the adversely affected employees, as a result of management's proposal.

We request that the implementation be deferred until all required negotiations are completed per the Master Agreement and the statute.

We request a full briefing on this system, to include a thorough visual demonstration. Please furnish all necessary and relevant documents for review at least one week prior to the briefing. When closer to scheduling, please contact me so that we can discuss travel obligations.

Sincerely,

Jan Avant, Chief Negotiator
NVAC/VBA Mid-Term Bargaining Committee
