6. An incumbent police officer within the bargaining unit may elect to volunteer for the eight week basic training course, provided the facility can spare the officer and is willing to pay the officer's expenses.
7. A copy of this MOU shall be provided by the appropriate management official to the Local Union President upon their receipt of the MOU.
8. AFGE Locals have the authority to bargain on the implementation of the increased VA police officer training course requirement, so long as there is no conflict with this national MOU.
