

SATURDAY PREMIUM PAY UPDATE

President's Briefing 02/25/11

Since the issuance of the FLRA decision on Saturday Premium Pay in July 2010, the NVAC and the Department of Veterans Affairs have continuously worked together to reach an agreement for compliance with the various decisions on Saturday Premium Pay. The parties have finished an initial review of the positions initially deemed not eligible for Saturday Premium Pay by the Department of Veterans Affairs.

The NVAC is currently waiting for more detailed position descriptions to complete the second round of review. We will provide an update when new information becomes available. If you have any additional questions or concerns, please contact Ami Pendergrass, NVAC Attorney at (202) 306-3664.
