

The following constitutes agreement between the Department of Veterans Affairs and the ~~NVAC~~<sup>AFGE</sup> National VA Council regarding the "Focus Group" Reengineering Project Medical Care Cost Recovery (MCCR).

1. The VA will fulfill its local labor-management obligation at each affected facility, preferably through local partnerships where they exist.
2. If the MCCR Pilot Program has been implemented at a facility, which has not met its local labor-management obligations, the local parties will suspend implementation until an agreement is reached.
3. This agreement only covers the facilities noted. Any expansion of this program will require additional negotiations at the national level.
