Memorandum

DATE: May 29, 2014
FROM: Michael Clements, Office of Labor Management Relations, 05LMR
SUBJ: Federal Library Value Survey (VAIQ 7476574)
TO: Oscar L. Williams Jr., AFGE, 2nd Executive Vice President

On behalf of Kimberly D. Moseley, DAS, Office of Labor Management, DVA, please accept this package as official notification for the Federal Library Value Survey (VAIQ 7476574).

The VHA Library Network (VALNET) planning to participate in the Value of the Library Survey being conducted by the Federal Library Section of the Medical Library Association in July -September 2014.

The goal of the survey is to assess end-user satisfaction with VHA's library services and determine if their information needs are being met. Survey findings and recommendations will also focus on identifying areas for improvements. The survey, which was developed by the Federal Libraries Section of the Medical Library Association, will be administered by that organization.

Participation in the survey is voluntary and employee confidentiality and anonymity will be maintained. This survey should take approximately 10 minutes to complete. A link to the web-based survey will be provided to library customers/patrons who request services from VA library staff during that time frame. All national unions are entitled to copies of the results when they become available.

I have included VHA's notification memo along with a copy of the survey for your review. If you request additional information or would like a briefing please advise, and I will coordinate with Management to provide what you need.
