Dear Mr. Carson:

The National VA Council VBA Midterm Bargaining Committee is formally requesting to bargain on the appropriate arrangements for the adversely affected employee as a result of VBA Letter 20-11-34 (VBA Telework Policy).

We are also requesting a briefing on this policy prior to submitting our proposals.

We are demanding that implementation of this policy for the BUE's be deferred until all bargaining is completed in its entirety per the Master Agreement and the Statute.

Sincerely,

Alberta Franklin
