Subject: Alignment of Staff

Dear Mr. Williams:

This is a notice of a planned change affecting staff assigned to the Office of the Director in the Healthcare Transformation and Innovation section and the Patient Centered Care section as a result of an organizational assessment. A copy of the assessment is enclosed and recommendations have been approved by the Acting Medical Center Director.

The results of the assessment and the affected staff are currently being identified. Detailed information regarding the names, positions, potential areas of assignment, etc. will be provided at a later date. The supervisors of these two sections received the assessment results on July 8, 2015 and although discussions with affected employees of AFGE Locals 1061 and 3943 will not occur for a few more weeks, approval of the recommendations is the reason for this notification.

If there are any questions regarding this assessment, please contact me by phone or e-mail. The telephone number is (310) 478-3711, extension 49437 and the e-mail address is [brenda.cabunoc@va.gov](mailto:brenda.cabunoc@va.gov).

Sincerely,
