In order to further improve the lines of communication and to respond to the concerns between the National VA Council and you our members, I have established a National VA Council Briefing. This NVAC Briefing will bring you the latest news and developments within DVA and provide you with the current status of issues this Council is currently addressing. I believe that this NVAC Briefing will greatly enhance the way in which we communicate and the way in which we share new information, keeping you better informed.

Reported by FOX 31 news

DENVER — An armed suspect was taken into custody after taking a nurse hostage at the Veterans Affairs Medical Center on Thursday morning, the Denver Police Department said.

Police responded to the call inside the hospital at East 10th Avenue and Clermont Street just after 8 a.m.

Officials said the suspect had a weapon but did not specify what kind.

The situation was resolved and the suspect was taken into custody, a hospital spokeswoman said.

No injuries have been reported and the hospital has resumed full operations.
