

*(June 23, 2016)*

In order to further improve the lines of communication and to respond to the concerns between the National VA Council and you our members, I have established a National VA Council Briefing. This NVAC Briefing will bring you the latest news and developments within DVA and provide you with the current status of issues this Council is currently addressing. I believe that this NVAC Briefing will greatly enhance the way in which we communicate and the way in which we share new information, keeping you better informed.

It is with heavy heart that we share with you the passing of Ms. Vera E. Logan, formerly NVAC 12<sup>th</sup> District Representative, President, 12<sup>th</sup> VA District Council, #262 and Local President #1203, in Long Beach, California.

Vera passed away on Wednesday, June 1, 2016 in California.

Ms. Logan was employed as a RN (by trade) at the VA Long Beach Healthcare System for many years until she retired in October, 2015. Vera served in many capacities for HER Union. She was not only an active member, she also served as the Local President, among other duties. Vera's commitment to ensuring that every employee was treated equitably will surely never be forgotten. Vera not only served as the NVAC 12<sup>th</sup> District Representative, but was an active member of the NVAC Title 38 Committee.

She truly was an advocate for our veterans, as well as the employees that she represented, always very sincere. She was also the most resourceful lady, I know...if you had a question, she had the answer or she would research till she found an answer.

Cards of expression and/or condolences to her family may be sent to:

**To the Family of Vera E. Logan  
C/O Pierce Brothers-Crestlawn Mortuary and Memorial Park  
11500 Arlington Avenue  
Riverside, CA 92505**

We ask that you please keep her family in your thoughts and prayers!
