RE: National Grievance against the Department of Veterans Affairs for failing to satisfy bargaining obligations regarding a Universal Policy for Hazardous Pay in VISN 20

STATEMENT OF CHARGES

Pursuant to the provisions of Article 43, Section 11 of the Master Agreement Between the Department of Veterans Affairs and the American Federation of Government Employees (2011) (“MCBA”), American Federation of Government Employees/National Veterans Affairs Council (“the Union”) is filing this National Grievance against you and all other associated officials and/or individuals acting as agents on behalf of the Agency for failing to satisfy bargaining obligations regarding a Universal Policy for Hazardous Pay in VISN 20. To date, the VA has failed to remedy this violation, and as such, continues to violate the MCBA and federal law.

Specifically, VA violated Articles 2, 3, and 47 of the MCBA, 5 U.S.C. §7116(a), and any and all other relevant articles, laws, regulations, customs, and past practices not herein specified.

STATEMENT OF THE CASE

Background

On January 31, 2018, the Union filed a demand to bargain with Michael J. Murphy, VISN 20 Network Director Veterans Integrated Service Network – 20, to initiate mid-term bargaining regarding a Universal Policy for Hazardous Pay pertaining to bargaining unit employees in the Environmental Management Service. The Union’s right to initiate mid-term bargaining is

reiterated in Article 47, Section 1(A) of the MCBA. To date, the Agency has failed to acknowledge or respond to the Union's demand to bargain.

In refusing to negotiate in good faith with the Union, the Agency committed an unfair labor practice under 5 U.S.C. §7116(a)(1) and (a)(5). Additionally, Article 2 of the MCBA requires that the Agency comply with applicable federal statutes and regulations in the administration of matters covered by the MCBA. Therefore, in violating 5 U.S.C. §7116, as set forth above, the Agency also failed to comply with Article 2. Further, Article 3 encourages the parties to maintain a cooperative labor-management relationship that is based on mutual respect, open communication, consideration of each other's views, and minimizing collective bargaining disputes. By failing to negotiate with the Union, the Agency renounced its commitments under Article 3 of the MCBA and necessitated further collective bargaining disputes. Finally, the Agency violated Article 47, Section 2, which sets forth the Parties' responsibilities regarding mid-term bargaining at the national level.

Violation

By failing to fulfill its obligations, the VA violated, and continues to violate, the following:

- Article 2 of the MCBA: requiring the Agency to comply with federal law;
- Article 3 of the MCBA: requiring the Agency to maintain an effective, cooperative labor-management relationship with the Union;
- Article 47 of the MCBA: requiring the Agency to comply with agreed-upon procedures for mid-term bargaining at the national level;
- 5 U.S.C. §7116(a)(1) and (a)(5): requiring the Agency to negotiate in good faith with the Union;
- Any and all other relevant articles, laws, regulations, customs, and past practices not herein specified.

Remedy Requested

The Union asks that, to remedy the above situation, the VA agree to the following:

- To commence bargaining, in good faith, in response to the Union's January 31, 2018 demand to bargain;
- To fully comply with its contractual obligations under Articles 2, 3, and 47 of the MCBA and its statutory obligations under 5 U.S.C. §7116(a);
- To agree to any and all other remedies appropriate in this matter.
