1. Bargaining unit employees shall be provided training on duty time on the changes in Prescription (RX) unbilled legal case review at the seven (7) CPACs. The training shall be at various times to allow the RUR Nurses and Facility Revenue Specialists to learn the Huron Workflow tool process.
2. Any referrals made in Huron Workflow tool shall be available for the RUR Nurse or Facility Revenue Specialist to refer to for a minimum of six (6) months.
3. The use of Huron Workflow tool should help to eliminate the unnecessary reviews by RUR Nurses on prescription reviews in claims tracking.
4. Upon their receipt, the appropriate management official shall provide a copy of this MOU to seven (7) AFGE CPAC Local Presidents.
