RE: National Grievance against the Department of Veterans Affairs for failing to notify and bargain with the Union regarding revisions to VA Directive 5021/26

STATEMENT OF CHARGES

Pursuant to the provisions of Article 43, Section 11 of the Master Agreement Between the Department of Veterans Affairs and the American Federation of Government Employees (2011) (“MCBA”), American Federation of Government Employees/National Veterans Affairs Council (“the Union”) is filing this National Grievance against you and all other associated officials and/or individuals acting as agents on behalf of the Agency for failing to notify and bargain with the Union regarding revisions to VA Directive 5021/26. To date, the VA has failed to remedy this violation, and as such, continues to violate the MCBA and federal law.

Specifically, VA violated Articles 2, 3, 47, and 49 of the MCBA, 5 U.S.C. §7116(a), and any and all other relevant articles, laws, regulations, and past practices not herein specified.

STATEMENT OF THE CASE

Background

On or about June 4, 2018, the Department of Veterans Affairs (“the Agency”) implemented VA Directive 5021/26 (Employee/Management Relations) (“Change 26”). Prior to Change 26, VA policy required that the Agency prove disciplinary actions and major adverse actions by a preponderance of the evidence when taking action against employees appointed under 38 U.S.C. §7401(1). Change 26 lowered the standard of proof to substantial evidence. This constitutes a

plain change in conditions of employment. The Agency failed to notify the national Union and provide an opportunity to bargain prior to implementing Change 26.

In refusing to notify, consult, and negotiate in good faith with the Union prior to implementing Change 26, the Agency committed an unfair labor practice under 5 U.S.C. §7116(a)(1) and (a)(5). Additionally, Article 2 of the MCBA requires that the Agency comply with applicable federal statutes and regulations in the administration of matters covered by the MCBA. Therefore, in violating 5 U.S.C. §7116, as set forth above, the Agency also failed to comply with Article 2. Further, Article 3 encourages the parties to maintain a cooperative labor-management relationship that is based on mutual respect, open communication, consideration of each other's views, and minimizing collective bargaining disputes. By failing to notify, consult, and negotiate with the Union prior to implementing Change 26, the Agency renounced its commitments under Article 3 of the MCBA and necessitated further collective bargaining disputes. Finally, the Agency violated Article 47, Section 2, and Article 49, Section 4, which set forth the Parties' responsibilities regarding mid-term bargaining at the national level.

Violation

By failing to fulfill its obligations, the VA violated, and continues to violate, the following:

- Article 2 of the MCBA: requiring the Agency to comply with federal law and regulations;
- Article 3 of the MCBA: requiring the Agency to maintain an effective, cooperative labor-management relationship with the Union;
- Articles 47 and 49 of the MCBA: requiring the Agency to comply with agreed-upon procedures for mid-term bargaining at the national level;
- 5 U.S.C. §7116(a)(1) and (a)(5): requiring the Agency to consult and negotiate in good faith with the Union;
- Any and all other relevant articles, laws, regulations, customs, and past practices not herein specified.

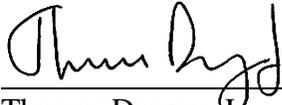

Remedy Requested

The Union asks that, to remedy the above situation, the VA agree to the following:

- To cease and desist the further implementation of Change 26;
- To return to the *status quo ante* until bargaining obligations are met;
- To fully comply with its contractual obligations under Articles 2, 3, 47, and 49 of the MCBA and its statutory obligations under 5 U.S.C. §7116(a);
- To make-whole any bargaining unit employee adversely affected by Change 26, including the rescission of related discipline with back pay, interest, and attorney's fees;
- To agree to any and all other remedies appropriate in this matter.
