Dear Bill,

Based on information received regarding implementation of proposed changes to the National Performance Plan, Rating Veterans Service Representative, AFGE VBA Mid-Term Bargaining Committee is formally requesting to bargain on appropriate arrangements.

We request that the implementation be deferred until all required negotiations are completed per the Master Agreement and the statute.

We request a full briefing on these proposed changes. Please furnish all necessary and relevant information used to determine these proposed changes, to include statistical data and time studies, for review at least two weeks prior to the briefing.
