Subject: Demand to Bargain -- The Planetree Model for Enhancing Health Care

Dear Ms. Flanz:

National VA Council #53 formally demanding to bargain over the Planetree Model for enhancing health care within VHA in the Department. NVAC cannot fully its representational duties without being provided the names of VISNs and VHA facilities that have begun to adopting the Planetree Model. Please provide NVAC with a list of names. Those VISNs that have begun discussions with AFGE Locals need to inform the NVAC (Exclusive Representative) of this matter. Any VHA facility were local management is engaged with one AFGE local can continue with their arrangement on implementation.

NVAC is not waiving its right to address the implementation of Planetree in VHA facilities and other related matters as they occur. If you have any questions please contact me at (217) 554-4866.
