Subject: VHA 2008 All Employee Survey (AES)

Dear Ms. Flanz:

The National VA Council #53 in the spirit of good labor cooperation is approving and supporting the VHA 2008 AES for this year. VHA needs to implement changes that improve employee's satisfaction and morale as alleged in the letter from VHA. The NVAC feels bargaining unit employees should not have to participate in the AES so that non-bargaining unit VA employees can meet their performance measures. If the results of the AES were to improve employee's satisfaction and morale, the results of earlier AESs would have been making a difference by now. The results of prior year AESs have only increased the number of non-bargaining unit positions and bonuses for upper officials within VHA in the Department.

NVAC Locals have full authority to negotiate on the VHA 2008 AES local implementation at their duty station. If you have any questions please call me at (217) 554-4866.

Sincerely,

Oscar L. Williams, Jr.
