In order to further improve the lines of communication and to respond to the concerns between the National VA Council and you our members, I have established a National VA Council Briefing. This NVAC Briefing will bring you the latest news and developments within DVA and provide you with the current status of issues this Council is currently addressing. I believe that this NVAC Briefing will greatly enhance the way in which we communicate and the way in which we share new information, keeping you better informed.

Alma L. Lee

National VA Council, President

**In This Briefing: Changes to the new Master Agreement are now on the website**

~~~~~

Changes in the new Master Agreement are now on the NVAC website, www.afgenvac.org. To get to this change list, go to the right column, immediately under “New Contract FAQ Sheet” and “New Master Agreement.”

Again, if you have any questions, please direct them to our Director of Education and Training, Jim Dunphy, at dunphyjj@aol.com. He will

serve as a clearinghouse for these questions, referring any technical issues to the negotiating team for their review.
