Good Morning,

On behalf of the Consolidated Patient Account Center (CPAC), VA LMR is providing the attached newly revised Position Description (PD) for the Quality Assurance Reports Analyst. The new classification retains the same grade, GS-09, but more accurately reflects the current duties of the position and changes the occupational code from a Program Specialist, 0301, to a Program Analyst, 0343. All employees currently perform all of the functions of the new PD.

I am also including the performance plan for your review.

If desired, please reply by June 20, 2014 to schedule a briefing.

Thank you,

Pete
