VA will review all promotions of LPNs and LVNs, who have not been promoted above their full performance level, effected from January 1, 2014 through the date of execution of this Agreement, at VA medical centers in Las Vegas, Nevada, and Tampa, Florida, to determine whether the employee was entitled to a promotion of grade or step (within grade increase) at an earlier date in calendar years 2014 and 2015. If the LPN or LVN was eligible for a promotion in either calendar year, VA will retroactively promote the employee, with back pay, in accordance with terms specified in paragraph 1(E) of this Agreement. A promotion made under this paragraph will not exceed the employee's full performance level.
