In order to further improve the lines of communication and to respond to the concerns between the National VA Council and you our members, I have established a National VA Council Briefing. This NVAC Briefing will bring you the latest news and developments within DVA and provide you with the current status of issues this Council is currently addressing. I believe that this NVAC Briefing will greatly enhance the way in which we communicate and the way in which we share new information, keeping you better informed.

OPM has announced that a Limited Open Season will run from February 1 – 29, 2016 to allow any employee to change from Self and Family to Self Plus One in their current plan option. This Limited Enrollment Period is intended to allow individuals who missed Open Season to change their enrollment from Self and Family to Self Plus One. No other changes will be allowed. The effective date of the change will be the first full pay period after the employee submits the request.

Changes can be made through [myPay](#) or by completing a form with Human Resources.

Again, this Limited Enrollment Period will run from February 1, 2016 until February 29, 2016.
