

*(March 24, 2016)*

In order to further improve the lines of communication and to respond to the concerns between the National VA Council and you our members, I have established a National VA Council Briefing. This NVAC Briefing will bring you the latest news and developments within DVA and provide you with the current status of issues this Council is currently addressing. I believe that this NVAC Briefing will greatly enhance the way in which we communicate and the way in which we share new information, keeping you better informed.

**In This Briefing:** Contact Information for the Individuals regarding  
OI&T

~~~~~

“The VA/AFGE OI&T overtime Revised Agreement is currently being implemented by the VA. The Agency has assembled another list of former VA employees for whom the VA sent an initial notification of eligibility via mail, but the notifications were returned as undeliverable. The Agency has given this list to AFGE to assist the VA in contacting, and paying, as many former employees on the list as possible. **These former employees will not receive payment under the Revised Agreement without updated addresses.**”

If you have any contact information for the individuals on the attached list, please send it to [AFGE.FLSA@gmail.com](mailto:AFGE.FLSA@gmail.com) as soon as possible. Your assistance in helping reach out to these former employees is greatly appreciated. Please review the attached list carefully.”
