Subject Traumatic Brain Injury (TBI) Pilot

This is a demand to bargain (DTB) filed under the provisions of Article 47, Sections 1 and 2 of the Master Agreement between the Department of Veterans Affairs (VA) and the American Federation of Government Employees (AFGE), signed March 15, 2011 (MCBA) with respect to the above referenced subject.

The VBA Midterm Bargaining Committee received notice on March 26, 2021 of the Department's plan to commence a pilot to improve the quality related to the processing of Traumatic Brain Injury claims. The pilot will involve the San Diego and Waco VA Regional Offices. AFGE requests a briefing on this matter, in order to determine if we need to bargain over the Procedures and Appropriate Arrangements for the employees we represent.

Any and all implementation already begun should be stopped and VA should cease and desist any further implementation until bargaining has been concluded.

Please provide any and all necessary and relevant documents relied upon related to the above subject to the VBA midterm bargaining team, including applicable ASPEN and WATRS information from all testing.

VA shall cease and desist from any and all implementation of the proposed initiative until the bargaining obligation has been satisfied. Please provide any and all information related to the above subject to the VBA midterm bargaining team no later than 3 days before the briefing. The VA chief negotiator should contact the undersigned no less than 7 days from the receipt of this DTB.

If you have any questions, please contact the undersigned at (601)-364-7107 (or by electronic mail at VBACommunication@afgenvac.org)

In Solidarity,

Paul Fleming
